You Can
do it!

How to Win a MBBS seat by easily clearing **NEET**

STRATEGICALLY PLAN YOUR NEET STUDY

Why was NEET made Compulsory for Medical seats ? What was lagging in Earlier Model ?

What knowledge is looked upon with this Exam instead of Board Study ?

NEET is a Competitive Exam with Negative Mark; Find - What to Write ? What not to Write ?

Just 40 to 50 % mark in Multiple choice question, instead of 99 % in Board can get a Government Medical seat. Find out how ?

If Educationally backward states of India can repeatedly achieve top ranks, Why is it not Possible in Tamilnadu ?

Understand the last ten years NEET (AIMPT) pattern / topic split

Can school study alone help in clearing NEET ? How should the study plan for a competitive Exam made?
